Dear General Hershey:

Recently I have had occasion to review the liaison activities being conducted between the Central Intelligence Agency and other Federal agencies. I am extremely gratified to find that liaison between our respective offices is of the highest calibre.

I particularly would like to take this opportunity to recognize the contribution which Colonel Daniel D. Omer of your office has made and is continuing to make in the direction of promoting these activities. He has exhibited a keen insight into this Agency's manpower problems and has been most helpful in arriving at solutions which have been mutually agreeable and of great benefit to us.

Our task is made immeasurably easier by virtue of this excellent relationship, and I want to express my appreciation for the efforts that you and your staff continue to extend in behalf of this organization.

Sincerely yours,

(Signed) ALLEN W. DULLES
